

Nursery Newsletter

Dear Parents/Carers,

Welcome to Nursery. Please continue to check Class Dojo for Nursery messages as well as the weekly Nursery Overview. This will provide you with information about what your child has been learning through the week in class.

The overview is a very helpful tool to engage in discussion with your child about their learning. If you do not have access to Class Dojo please speak to nursery staff.

A number of children have arrived at Nursery with bumps, bruises or cuts. We understand and appreciate young children will hurt themselves, but if you could please let the Nursery staff know how the injury was sustained before leaving your child at drop off as a part of our safeguarding practice. We need to be sure that unavoidable injuries are not sustained while in our care and go undetected.

Thank you for your support. Please also note our Child Protection and Safeguarding policy and duties in the school website.

Donations

Thank you for your voluntary contributions of £1 a week (£6 for the half term). The donation enables us to plan for and prepare exciting activities for your child. Donations are made online using Weduc.

Supporting Independence

As the weather is getting colder please support your children to gain more independence in putting on their own coats, gloves and hats.

Walking to School

Some children in Nursery can be seen arriving in buggies. This is not healthy for their physical development as they should now be either walking or using a scooter. This will help strengthen and develop their bones and muscles. We are a healthy school and believe in active travel so please avoid bringing your child to school in a buggy.

Nursery Uniform.

School uniform for Nursery children consists of a grey sweatshirt, grey jogging bottoms and **black shoes with velcro.**

Please ensure your child comes to Nursery wearing the appropriate uniform with their name written on labels.

Dates for your diary:

October Half-Term

Children to return to school on

Monday 30th October 2023

Learning through Play Parent work-shop – 3rd November 2023.
