

Reception Newsletter

Dear Parents/Carers,

Welcome back after the half term. We hope that you all had a lovely break.

We have been very impressed with how quickly the children have settled back into the school routines and are excited to see the progress that they make during this next half term.

Book Bags

It is essential that your child brings their book bag to school **EVERYDAY**.

We have already started sending reading books home along with a book for shared reading. Please ensure you comment in the reading record after you have finished reading with your child.

Parent Workshops

During the week commencing Monday 6th November, we will be hosting our reading workshops. It will be an opportunity for you will find out more information about how we teach reading in school and how you can support your child with their reading at home. It is very important that you attend these sessions.

The workshop dates in November are:

Tuesday 6th —Flamingo Class @ 9 a.m.

Thursday 9th —Penguin Class @ 9 a.m.

Friday 10th—Peacock Class @ 9 a.m.

Dates for your diary

Dates for your diary:

Reception Parent Meetings—Week Commencing 6th November.

This is a chance for you to speak to your child's teacher about their progress in school. These meetings are only 10 minutes long so please be prompt as teachers will need to keep to the appointment schedule and not be able to give any extra time.

Kenmore Park Infant & Nursery School

Reading Workshops	Week Commencing 7th November

Learning Dispositions

At our school we aim to equip our children with the skills necessary to become independent and effective learners. We promote positive learning dispositions by talking about four characters, some of which you may have heard of:

Tough Tortoise, Sensible Squirrel, Wise Owl and Team Ant.

Children are encouraged to emulate the dispositions of the character and in the next issue of our newsletter, we will congratulate children who have displayed these dispositions at school. We look forward to sharing the children's success with you. We will also suggest how you can support them in developing these dispositions at home too!
