

Nursery Newsletter

Dear Parents/Carers,
Happy New Year!
It has been a wonderful week and start to the new school term. This half term the children are learning about the wonders of the ocean. They have enjoyed learning about the sea creatures found in the ocean and enjoyed singing songs about them. They have also been learning about the impact of plastic on sea creatures. Please continue these conversations at home.

Reminders

Homework

Children will continue to engage in home learning. Please continue to upload and send photos and videos as it's a wonderful opportunity to develop the children's speaking and listening skills when they are shared with their peers in class.

This term the children will be sent homework every Friday and it should be returned to school by the following Friday. Please remember to bring your child's book bag to school so that their work can be checked by a member of staff.

Children will also be taking home reading books for you to share with your child. Please read regularly with your child, encouraging them to talk about the illustrations, using the sentence starter: "I can see..."

Sensible Squirrel

This week we have been looking out for children who have been demonstrating the characteristics of a **Sensible Squirrel**, which are below:
