

Reception Newsletter

Dear Parents/Carers,

Thank you for attending our Writing Workshop. We hope that you found it useful and that you are going to use some of the strategies presented by the teachers, when working with your child at home.

Your feedback indicates that you would like us to host similar sessions focusing on maths, so we will be hosting maths seminars after half term so look out for the invitations.

Book bags & reading.

Please may we remind parents to send book bags along with the **reading books** and record books to school **everyday**. We will change the books every Friday. If the books are not returned, the children will not get new books.

Please read daily with your child for 10 minutes. They should become fluent in reading their book.

Homework

Please help your child do their homework every week. Practice the phonics home learning sheet activities every day; read the sounds, the tricky words and the sentences. Encourage your child to read them fluently.

We would like to say well done to the following children who have impressed staff by demonstrating the disposition of being a Sensible Squirrel at school.

Peacock Class

Andreea

For independently looking for resources in the class.

Oral hygiene

Please encourage your child to brush their teeth twice a day for 2 minutes as recommended by dentists. If you have not already registered with a dentist please do so as soon as possible. Registering with a dentist is free for children. Please provide your children with healthy food choices, avoiding sugary foods and fizzy drinks to support good physical development, mental & oral health.

Sensible Squirrel

This week we have been looking out for children who have demonstrated the characteristics of **Sensible Squirrel**, which are below:

- I am **resourceful**.
- I try to **find things out for myself**.
- I have the **confidence to ask great questions**.

Congratulations!

Penguin Class

Rohaaniya

For finding resources independently to help her with her writing.
