

# Nursery Newsletter

Dear Parents/Carers,  
As always we aim to ensure the children have a full experience of the world around them and to engage with a range of different traditions and cultures. With this in mind, in the run up to half term the children will have the opportunity to learn about Chinese New Year. They will immerse themselves in making dragons, lanterns, envelopes and having a go at Chinese writing!

Thank you to all the parents who have supported their children on our colour days. I would like to remind parents of the importance of every child participating not only by wearing the colour but also bringing in an object. By talking about the object in class we aim to build their confidence and develop their oracy skills.

## Homework

Homework will be sent home every Friday and should be returned to school the following Friday. Please remember to bring your child's book bag to school so that their work can be checked by a member of staff.

Children will also be taking home reading books and a reading record. Please read regularly with your child and write your comments in the reading record.
