It has been a fabulous week in Nursery. The children have been learning about Chinese New Year!. They have learnt how to say hello in Chinese, Ni Hao. They have explored their creative skills when making Chinese dragons and lanterns.

Homework

Children should continue to engage in home earning. Please continue to send videos of your child answering the question of the week as it is a wonderful opportunity to develop the children's speaking and listening skills when they are shared in class.

This term the children will be sent homework every Friday and should be returned to school by the following Friday. Please remember to bring your child's book bag to school so that their work can be checked by a member of staff.

Please can parents also ensure that homework is completed with their children to a good standard. Children should be using glue to stick their work. It is important to encourage the children to take pride in their work. This will continue as they progress through the school.

Children will also be taking home reading books for you to share with your child. Please read regularly with your child encouraging them to talk about the illustrations, using the sentence, "I can see...." .
