**Our Harrow Schools Counselling partnership – Therapeutic Lead Christine.**

We hope you are enjoying and finding our Therapeutic lead's newsletters useful.

Sometimes we could all do with someone to talk to. If you would like to meet **Christine** for a confidential and non-judgemental chat about you, your child, or any other worries, she is available on Wednesday at 9-10am. You can call/text **Christine** on 07799-030410 or email her at **christine@schoolscounsellingpartnership.co.uk**

Safeguarding

Please ensure that you phone and inform the school office staff if you have made an alternative arrangement for someone to collect your child from the school. In line with safeguarding we will not release your child into the care of a minor (anyone under the age of 18 years), so please do not send older high school siblings to collect your child from school.

If you arrange for another adult to collect your child from school – phone ahead and inform the school or inform the class teacher at drop off in the morning, ensure that you provide them with their details (name, gender and relationship to you or the child) and also ensure that they know the password.

We will not release your child to anyone who does not know the password.

Also, if you have changed your mobile number or emergency contact details please make sure they are updated as soon as possible.

Recycling school uniforms.

Please continue to support us by recycling good condition school uniforms as your child grows out of them. Remember it can help another family who may be finding it hard to purchase uniform items at full price. We will keep the container for old uniforms in the playground permanently so please keep decluttering and dropping items into the box as and when you can.

Attendance expectations – no tolerance approach!**New regulations for schools in the next stage of attendance drive by the Government!**

From September every state school in England will be expected to share their daily attendance registers across the education sector - including with the department for education, councils, and trusts in the next stage of the government's drive to reduce pupil absence in school.

The sharing of daily school registers will form a new world-leading attendance data set that will help schools spot and support children displaying worrying trends of persistent absence or those in danger of becoming missing in education. The expectation is that the data will be used by Councils and Schools to drive improvements in attendance.

These reforms are the next phase in the government's plan to improve attendance following the pandemic which has seen a worldwide rise in absence and persistent absence driven by broken habits of attendance.

Parent fines for unauthorised absences will also be brought under a national framework to help tackle inconsistencies in their use. A fine to parents must be considered if a child misses 5 days of school for unauthorised absence. Alongside this, costs for **finer will go up from £60 to £80 (per parent) if paid within 21 days and from £120 to £160 if paid in 28 days** which will ensure all parents are aware of when they might face a fine to ensure all councils are issuing fines appropriately.

Please be reminded that every time your child is absent from school they are missing an average of 5 lessons per day. Over a school week that amounts to over 25 lessons missed!

Attendance highlights from the month of March

A REMINDER OF OUR COMPULSARY SCHOOL UNIFORM & PE UNIFORM

Please be reminded that the school takes a hard line regarding compliance with the school uniform. It is parents' responsibility to ensure that their child is wearing the school uniform as stipulated in the school prospectus and website. On Wednesday's we require all children in Year 1 and 2 to wear the schools PE uniform which comprises of **Grey joggers (Option of black shorts in the summer) a grey top and black trainers/plimsolls and not their own sportswear.** This uniform can also be worn for PE lessons, in line with their class timetables, on days other than Wednesday. All Uniform orders can be made via the Weduc App at the school shop.

It has been noted since the start of the school term that a number of children are not wearing the appropriate clothing and black shoes. Please respect the school's policy and practice by ensuring your child comes to school in the correct uniform. We thank you in advance for your support and compliance.

As the summer term approaches

Girls may wear Black or Grey Trousers too.

White socks or grey tights

Boys' black or grey socks.

Summer dress from April – July only

School Travel

At Kenmore Park Infant and Nursery as a Gold Award Healthy School, we feel very strongly about how children travel to school and encourage all pupils to walk or scoot to school rather than travelling by car. This is good for their health and also for the environment – helping to reduce carbon dioxide and pollutions which contributes to the increase in the number of pupils suffering from Asthma!

We have designated pods for parking bikes & scooters in different areas of the school for the convenience of parents. We realise that some children live some distance away from the school and may need to come by car however, we would ask that parents park a little distance away from school and walk the rest of the route to school.

As an incentive for children who walk we promote Walk on Wednesdays – ‘WOW’. Children who walk to school every Wednesday of each month and we reward the class with the most children walking on a Wednesday at the end of the month. We look forward to your support with this initiative. Congratulation to **Dolphin Class** for getting the most WOW’s during the month of **March**, they receive the trophy and have earned themselves a movie and popcorn afternoon.

JOB VACANCIES

We are still in need of As and when staff for the following posts:

Cleaners: working hours 3.30 – 6 p.m. week days only (no qualifications required but experience of cleaning employment desirable).

As and When Lunch time leaders (1 hour 10 minutes per day) – are you able to work flexibly between the hours of 11.30 – 1 p.m.

As and When SEN Teaching Assistants: Hours are based on the needs of the child.

Please visit the school website (complete the non-teaching application) or school office and request a paper version of the application form. Clearly indicate the post you are applying for and demonstrate in your supporting statement how you are able to meet the person specification.

Parking

Complaints from local residents continue - Residents report they **have not given permission** to any parents to park in front of their drive ways. A number of the residents have shared they have life threatening medical conditions which require them to have immediate, emergency access to their drive ways – so please respect their wishes and if no spaces near the school are available – park and walk, the exercise is good for everyone.

We ask parent/carer to respect our local residence and not park in or block their drive ways.

The local neighbourhood police have advised residents to report any such parking violations to Harrow Council and Traffic Enforcement and also to email a picture of the obstructing vehicle, showing the registration, so they can issue penalty notices.

The rise in the number of complaints is resulting in more surveillance by traffic enforcement during drop off and collection time and potentially more fines to you!
