

June Parent Newsletter

Monday 3rd June 2024

Welcome back!

We hope you all had a good half term break. We now commence the last half term of the academic year and will be preparing the children in readiness for the next stage of their learning journey. The first half of the term was eventful with more and more children improving their reading with your support and receiving a free book from our vending machine. Please keep up the good work supporting your child with their reading.

The children have all had the opportunity to visit Kenton Library to develop that love of reading and had fun during the last week of the half term on their WOW walk in the local areas in line with National Walk to School Week, so thank you once again for your support. Every effort you make to reduce the carbon footprint means the health of our children is being considered and protected.

Reception have been learning about 'People who help us'. They were fortunate enough to have a visit from the local PCO and Police. The children were able to ask them questions. They also enjoyed dressing up in costumes representing all the people who help them.

Health update:

We are an Asthma friendly school

Health professionals visited the school and confirmed the school has all procedures and resources in place to be awarded the status of an Asthma friendly school.

This is testimony of the lengths the school goes to support the health and well-being of our pupils so that it does not impact on their school attendance and progress.

Measles update: **Don't shoot the messenger!!!!!!**

The number of confirmed cases of Measles across our school has continued to increase since the last newsletter following the Easter break. The school attendance officer is working hard with Public Health England to ensure that KPINS are doing all they can to reduce the spread of the virus. It is important to be aware that a child could have been in school for 4 days prior to the symptoms presenting which is the period when they are most highly contagious, thus spreading the virus amongst their peers.

Please be patient and listen to the advice of the Attendance Officer (**our messenger!**) when she asks for confirmation from your GP when your child is presenting with the symptoms associated with Measles – High temperature, cold like symptoms, red/sore eyes and a rash.

We appreciate that some GP's are making it difficult for you but we ask that you persevere and respect the fact that the Attendance Officer is only doing her job, thus refrain from abusive and hostile comments. We appreciate your support and co-operation.

Remember the best way to protect your child is to ensure that they are up to date with their immunisation. This means ensuring that they have had both doses of the MMR vaccine. Two doses of the MMR vaccine provides good protection against the infection.

We continue to communicate with other local schools and it is confirmed that the situation at KPINS is the worst in the area and we would like your help to reduce the spread of the infection across our school. We have a number of pregnant parents and staff members and also individuals with a low immunity who would become very unwell if they were to become infected.

Celebrating Reading at KPINS as we share with you the children who have made improvements in reading and won a token to collect a free book from our vending machine.

Congratulations to:

Our Harrow Schools Counselling partnership – Therapeutic Lead Christine.

We hope you are enjoying and finding our Therapeutic lead's newsletters useful.

Sometimes we could all do with someone to talk to. If you would like to meet **Christine** for a confidential and non-judgemental chat about you, your child, or any other worries, she is available on Wednesday at 9-10am. You can call/text **Christine** on 07799-030410 or email her at **christine@schoolscounsellingpartnership.co.uk**

Safeguarding

Please ensure that you phone and inform the school office staff if you have made an alternative arrangement for someone to collect your child from the school. In line with safeguarding we will not release your child into the care of a minor (anyone under the age of 18 years), so please do not send older high school siblings to collect your child from school.

If you arrange for another adult to collect your child from school – phone ahead and inform the school or inform the class teacher at drop off in the morning, ensure that you provide them with their details (name, gender and relationship to you or the child) and also ensure that they know the password.

We will not release your child to anyone who does not know the password.

Also, if you have changed your mobile number or emergency contact details please make sure they are updated as soon as possible.

Recycling school uniforms.

Please continue to support us by recycling good condition school uniforms as your child grows out of them. Remember it can help another family who may be finding it hard to purchase uniform items at full price. We will keep the container for old uniforms in the playground permanently so please keep decluttering and dropping items into the box as and when you can.

REMINDER of - Attendance expectations – no tolerance approach! **New regulations for schools in the next stage of attendance drive by the Government!**

With the end of term looming it is important to remind you that from September every state school in England will be expected to share their daily attendance registers across the education sector - including with the department for education, councils, and trusts in the next stage of the government's drive to reduce pupil absence in school. **The process is already underway and with this in mind we have been arranging meetings to support parents as the LA alert us to concerns about pupil's absence. We are trying to make parents aware of the harsh consequences if they do not work with the school now to address their child's attendance concerns.**

The sharing of daily school registers will form a new world-leading attendance data set that will help schools spot and support children displaying worrying trends of persistent absence or those in danger of becoming missing in education. The expectation is that the data will be used by Councils and Schools to drive improvements in attendance.

These reforms are the next phase in the government's plan to improve attendance following the pandemic which has seen a worldwide rise in absence and persistent absence driven by broken habits of attendance.

Parent fines for unauthorised absences will also be brought under a national framework to help tackle inconsistencies in their use. A fine to parents must be considered if a child misses 5 days of school for unauthorised absence. Alongside this, costs for **fines will go up from £60 to £80** (per parent) if

paid within 21 days and from £120 to £160 if paid in 28 days which will ensure all parents are aware of when they might face a fine to ensure all councils are issuing fines appropriately.

Bearing this in mind any parent who takes their child out of school at the end of the term to start their summer break early could potentially be hit with the increased fine if an EPN is issued at the start of the school year from September. Therefore, I would like to remind you that the school term ends on Wednesday 24th July for all pupils attending the infant school and no sooner.

Please note that every time your child is absent from school they are missing an average of 5 lessons per day. Over a school week that amounts to over 25 lessons missed!

Attendance highlights from the month of May

During the month of **May**, the following classes have received certificates for the best class attendance each week and then for the overall month: **Lemur Class.**

A REMINDER OF OUR COMPULSARY SCHOOL UNIFORM & PE UNIFORM

Please be reminded that the school takes a hard line regarding compliance with the school uniform. It is parents' responsibility to ensure that their child is wearing the school uniform as stipulated in the school prospectus and website. On Wednesday's we require all children in Year 1 and 2 to wear the schools PE uniform which comprises of **Grey joggers (Option of black shorts in the summer) a grey top and black trainers/plimsolls** and **not their own sportswear**. This uniform can also be worn for PE lessons, in line with their class timetables, on days other than Wednesday. All Uniform orders can be made via the Weduc App at the school shop.

It has been noted since the start of the school term that a number of children are not wearing the appropriate clothing and black shoes. Please respect the school's policy and practice by ensuring your child comes to school in the correct uniform. We thank you in advance for your support and compliance.

As the summer term approaches

Girls may wear Black or Grey Trousers too.

White socks or grey tights

Boys' black or grey socks.

Summer dress from April – July only

THE ROMANIAN AND EASTERN EUROPEAN HUB FREE OFFER TO SCHOOLS

Contact: Cecilia Petre, MA, Co-CEO and Co-Founder | Tel: 020 3857 9495

The Romanian and Eastern European Hub is a registered charity that supports the Romanian and Ukrainian communities and is a key Council partner in engaging with these communities locally. Ro-EE Hub is currently running the below activities for the Romanian community: 1. **Playgroup for Romanian speaking families with children 0-3 years of age.**

The playgroup is running every Wednesday from 10-11.30 at SEEDs Hub, Empire Way, Wembley Park, HA9 0RJ. 2.

Social café. This activity runs every Thursday from 10am- 1pm at SEEDs Hub, Empire Way, Wembley Park, HA9 0RJ and is for people in the Romanian community who may need support with access to services and those who seek to socialise and build a support network. 3. **Workers' Rights training in Romanian.** This training course focusses on "Safe Work". Undertaking this training course will equip individuals with the skills and knowledge to recognise signs of labour exploitation and their rights as a worker under UK law. It will also help increase knowledge to protect others and signpost to organisations which can support and help victims of labour exploitation and victimisation. Ro-EE Hub can arrange for training sessions to be delivered to groups of minimum 5 participants at your school or at their premises in Wembley Park.

All 3 activities are **free of charge**. For more information, please send an email to contact@ro-eehub.org.uk or call **0203 857 9495**. Charity no. 1203643

FREE SCHOOL MEAL ELIGIBILITY CHECK

It is important that parents check their eligibility criteria as a number of parents found themselves to be eligible during lockdown. They were then issued with free school meal vouchers which they could use to purchase food at a supermarket of their choice. It is important that you check as it may be helpful in the event of a second spike!

Parents can check to see if they meet the eligibility criteria by following the instructions below:

Step 1: Login to the following website: <https://pps.lgfl.org.uk> (Free School Meal Eligibility Checker)

Step 2: Click – **Check eligibility**

Step 3: Click – **create an account** (Unless you already have an account in which case you go to return to your account and enter your password)

Step 4: **Create an account**

Step 5: On the drop down menu:

School Travel

At Kenmore Park Infant and Nursery as a Gold Award Healthy School, we feel very strongly about how children travel to school and encourage all pupils to walk or scoot to school rather than travelling by car. This is good for their health and also for the environment – helping to reduce carbon dioxide and pollutions which contributes to the increase in the number of pupils suffering from Asthma!

We have designated pods for parking bikes & scooters in different areas of the school for the convenience of parents. We realise that some children live some distance away from the school and may need to come by car however, we would ask that parents park a little distance away from school and walk the rest of the route to school.

As an incentive for children who walk we promote Walk on Wednesdays – ‘WOW’. Children who walk to school every Wednesday of each month and we reward the class with the most children walking on a Wednesday at the end of the month. We look forward to your support with this initiative. Congratulations to **Jaguar Class** for getting the most WOW’s during the month of **May**, (they receive the trophy and have earned themselves a movie and popcorn afternoon.

We would also like to thank the parents who support us by coming along to support National Walk to School Week 2024.

Congratulations to Chameleon class who has the most parents and children walking very day over the week 20-24 May. They will all receive a packet of popcorn to share at home and hold their own family popcorn and movie time on us.

Thank you!

National Thank a Teacher Day is coming on the 19th June.

Use this link to find out more and support your child to send their teacher an e-card of appreciation: <https://thankateacher.co.uk/nationalthankateacherday/>

JOB VACANCIES

We are still in need of As and when staff for the following posts:

Cleaners: working hours 3.30 – 6 p.m. week days only (no qualifications required but experience of cleaning employment desirable).

As and When Lunch time leaders (1 hour 10 minutes per day) – are you able to work flexibly between the hours of 11.30 – 1 p.m.

As and When SEN Teaching Assistants: Hours are based on the needs of the child.

Please visit the school website (complete the non-teaching application) or school office and request a paper version of the application form. Clearly indicate the post you are applying for and demonstrate in your supporting statement how you are able to meet the person specification.

Parking

Complaints from local residents continue - Residents report they **have not given permission** to any parents to park in front of their drive ways. A number of the residents have shared they have life threatening medical conditions which require them to have immediate, emergency access to their drive ways – so please respect their wishes and if no spaces near the school are available – park and walk, the exercise is good for everyone.

We ask parent/carer to respect our local residents and not park in or block their drive ways.

The local neighbourhood police have advised residents to report any such parking violations by showing the registration, so they can issue penalty notices.

The rise in the number of complaints is resulting in more surveillance by traffic enforcement during drop off and collection time and potentially more fines to you!

Dog Fouling on the increase!

We have noticed an increase in the amount of dog fouling on the pavements along the main routes to the school particularly Moorhouse Road and Warneford road. We have complained to the council but the louder we all shout the more likely we are to be heard. We would urge you to report dog fouling to the council as well and hopefully shouting together will lead to more action being taken. <https://www.gov.uk/report-dog-fouling>
