

Nursery Newsletter

Dear Parents/Carers,

We would like to wish you all a very 'Happy New Year'. It has been a wonderful first week back.

This half term the children are learning about the wonders of the ocean. They are enjoying learning about the sea creatures found in the ocean and singing songs about them. They are also learning about the impact of plastic on sea creatures. Please continue these conversations at home.

This term the children will be sent homework every Friday and it should be returned to school by the following Friday. Please remember to bring your child's book bag to school so that their work can be checked by a member of staff.

Children will also be taking home reading books for you to share with your child. Please read

regularly with your child encouraging them to talk about the illustrations, using the sentence, "I can see...."

Healthy School

As an accredited Healthy School we encourage the children to eat foods containing less sugary and processed items. It is therefore expected that parents do not bring in crisps or sugary foods when they come to collect children at home time. We would also like parents to establish the routine of getting their child to brush their teeth twice a day for 2 minutes.

Sensible Squirrel

This week we have been looking out for children who demonstrate the characteristics of **Sensible Squirrel**, which are below:

- I am **resourceful**.
- I try to **find things out for myself**.
- I have the confidence to **ask great questions**.

Congratulations

We would like to say well done to the following children who have impressed staff by demonstrating the dispositions of Sensible Squirrel at school

Caterpillar Class:

Damaris

For accessing resources independently in class! Well Done!

Butterfly Class:

Delia

For being very helpful during tidy up time. Well Done!
