

Nursery Newsletter

Dear Parents/Carers,
Thank you to all those who attended the maths workshop this week. I hope you found it helpful and that you feel more able to support your child at home.

This week the children have been learning about jungle animals. We have spoken about the sounds the animals make and what they look like.

Here are a few reminders.

If you have not done so please can your child bring in their book bag with their name on it.

The children will receive homework every Friday. It will be marked and returned.

Tooth brushing

We have noticed that there are still some children who are not brushing their teeth in the morning. **Please note that oral hygiene is the responsibility of parents and failure to do so will be considered neglect and you might be called into school to discuss this.**

Learning Dispositions for

Tough Tortoise

At our school we aim is to equip our children with the skills necessary to become independent and effective learners.

We promote positive learning behaviours, known as the dispositions by talking about four characters, some of which you have already heard of: Tough Tortoise, Sensible Squirrel, Wise Owl and Team Ant.

In the weeks that will follow, we will be looking at and learning from our friends Sensible Squirrel (being resourceful) and **Tough Tortoise who encourages children to persevere, never give up and to rise to challenges.**

Here are some of the things children can do to be a Tough Tortoise:

- I never give up.**
- I always have a go no matter how hard it looks.**
- I try my hardest and am not afraid to make mistakes.**
